

COMPLETED PROJECT

THE CEDARS, EPSOM

THE CEDARS, EPSOM / COMPLETED

A Grade 2* (two star) listed 18th.C. building converted from a redundant council centre into seven luxury apartments with 3 new cottages in the grounds built on foundation piles close to mature TPO trees.

We gained unanimous planning committee support after detailed dialogue with the Local Authority Conservation Officer, and direct negotiation with the English Heritage Team Leader for much of the South East of England.
